Programme Officer – Schools, WASH and Solar (Madagascar)

Position Overview

This is an exciting opportunity to take a leading role in driving the development and sustainability of SEED's solar light libraries and school-based electrification initiatives in rural Madagascar. Based within our Schools, WASH and Solar Programme, you will contribute directly to expanding access to energy and improving learning environments for isolated communities.

We are seeking a motivated development professional with one to three years of experience in grant writing and programme delivery, and a strong interest in renewable energy and education projects, who is ready to step into a role with increased responsibility and professional growth.

Working alongside national and international colleagues, community partners and members of our Solar consortium, you will support grant development, donor reporting, monitoring and evaluation, and the ongoing improvement of programme implementation. Your contribution will be central to strengthening partnerships, securing funding and ensuring high-quality delivery of impactful solar initiatives.

Strong grant writing experience and the ability to work to a high standard in both English and French are essential. Candidates who do not meet these criteria will not be considered.

Location: Fort Dauphin, Anosy Region, Madagascar

Timeframe: two years, extendable (probationary period 3 months)

Terms and conditions: Local salary to support with accommodation and living costs, contribution of £1,200 towards flights and £650 towards insurance

Duties and responsibilities:

Provide advice and support in the development of projects including: preparation and editing of funding proposals; preparation and editing of reports for external stakeholders; monitoring and evaluation of current projects; developing and updating guidelines and templates for external-facing materials; liaison with the London project development team and local staff; and support and mentoring of interns and junior officers.

Core Duties

- Compile funding proposals based on past evaluation, team discussion and international best practice in an engaging and professional manner;
- Write project reports that clearly demonstrate the successes and challenges of the projects, learning from the project and providing clear budgetary information;

sustainable environment, education & development

- Support with first-stage editing of proposals and reports across the department to a high standard and providing detailed, constructive feedback to Junior officers;
- Lead on budget management and development alongside the Programme Manager and Head of Department;
- Lead on donor compliance and consortium engagement, working with the Programme Manager and the implementation team to ensure that project milestones are met;
- Work alongside the Programme Manager in problem-solving and providing additional support in line with emerging issues from project implementation;
- Manage pieces of long-term project work that require a higher level of expertise and experience across the department;
- Support in the recruitment of new staff and provide support, management, review and professional development to any Junior Officers;
- Foster essential cross-cultural collaboration, providing support to both the national and international teams to bridge gaps in understanding and priorities for project development and implementation;
- Provide pastoral care, guidance and act as a role model, both professionally and personally, for a team of early career professionals living in country;
- Develop and update resources to support project development processes, including proposal and budget templates and style guidelines;
- Assist in developing MEL tools and analysing data, including the writing of MEL reports when needed;
- Support the growth of project development procedures, guidelines, and trainings, and provide project-specific information to inform policy development across the organisation;
- Ensure that statistics, research, funding trackers, photo database and handovers relating to the projects are accurate;
- Coordinate the project-specific website and social media content, ensuring a constant flow of information to donors and supporters
- Work with the national team and external partners in increasing their skills and capacity, providing mentoring or training where appropriate;
- Take an active role in project management meetings, leading discussions and standing in for the Programme Manager where appropriate;
- Ensure all of SEED's policies and procedures are evident throughout the work of the department, including those for safeguarding, whistleblowing and anticorruption, and undertake continual training to ensure these are promoted at all times;
- Liaise closely with the UK team in London ensuring clear communication at all times;
- Complete any other tasks required by the Programme Manager or Director of Programmes and Operations.

Person specification

- Degree-level qualification or equivalent experience in international development, solar provision or have equivalent experience;

seed madagascar

sustainable environment, education & development

- Minimum of 1-2 years' professional experience of securing funding, project management, donor compliance and donor reporting;
- Familiarity with the use of project management tools including Logical Frameworks, Theory of Change models, Budgets, Activity Plans and Monitoring & Evaluation frameworks;
- Fluency in written and spoken English with excellent written communication skills and the ability to edit English documents to a very high standard;
- C1 level in French to fully engage during meetings in French;
- Excellent proposal and report writing and editing skills, with previous experience compiling project proposals and reports and the ability to tailor written information to various audiences;
- Demonstrate an understanding of and commitment to SEED's ethos and approach and be a good ambassador for the organisation at all times;
- Have passion, curiosity and motivation for the job and the ability to enthuse others;
- Experience of living and working in a developing country with the ability and desire to work with teams from different economic and cultural backgrounds and across multiple language barriers;
- Demonstrate proven ability to recognise and appropriately deal with challenging situations and problem solve;
- Demonstrate an awareness of and comfort with increased social and professional responsibility, working at all times with cultural sensitivity and respect;
- Demonstrate the ability, social skills and confidence to give clear guidance and support to other members of the team in respect of the philosophy and procedures of SEED in order to protect both their safety and the reputation of the NGO;
- Be able to work to and advocate for all of SEED's policies and procedures, safeguarding those that SEED works with and reporting any concerns appropriately;
- Be punctual and be able to work to tight deadlines in an organised manner and to a high standard;
- Be able to work both independently and as part of a team;
- Excellent listening and verbal communication skills and a flexible and patient attitude;
- Proficiency in Microsoft Office, particularly Word, Excel and PowerPoint.

About the organisation

SEED Madagascar is a British Charity working in partnership with communities in the southeast of Madagascar. We integrate high-quality community health, sustainable livelihoods, education infrastructure and conservation programmes to support long term, sustainable change while adding to International best practice through research and publication.

More information on the work of SEED can be found at www.madagascar.co.uk

Application procedure

Interested applicants should send a CV and covering letter in English outlining why they wish to take up this position and how their skills and experience match the requirements in the job description criteria

seed **madagascar**

sustainable environment, education & development

to SEED Madagascar Director of Programmes and Operations, Lisa Bass by email on lisa@seedmadagascar.org.

Please note: AI generated cover letters and recruitment exercises will not be processed. We value concise and focused applications. To help us review all submissions efficiently, please limit your CV to a maximum of four pages. Unfortunately, longer CVs cannot be considered.

Application Deadline: Monday 27th April 2026 at 23:59 GMT. Applications will be reviewed on an ongoing basis throughout this period.

Candidates will complete an exercise, long-listed applicants will have an initial informal interview with Madagascar based staff and short-listed applicants will then be offered an interview with the London team.

Please note that the expected in-country start date for this position will be June 2026.

SEED Madagascar actively encourages equality, diversity, and inclusion in the workplace and aims to create a working environment free of bullying, harassment, victimisation, and unlawful discrimination, where individual differences and the contributions of all staff are recognised and valued.
