Programme Officer – Schools, WASH and Solar

(Madagascar based)

Position Overview

This in-country post is based in our Schools, WASH and Solar Programme, and will support the management and development of solar light libraries based in schools for springboarding electrification in isolated, rural communities.

This is a superb opportunity for a passionate development professional with one to three years of experience in grant writing, programme delivery and an interest in solar and education projects, who would like to make the step into a management position.

The successful candidate will work alongside national and international staff, communities, partners and a Solar consortium in Madagascar, supporting the grant writing, reporting, evaluation and continual development of our Solar and Schools programmes.

It is essential that the post holder has grant writing experience and is able to work in English and French to a high standard. Candidates who do not meet these criteria will not be considered.
